

**SORORITY FINANCIAL
TRANSPARENCY INFORMATION**

2022-23

Dear community stakeholders & potential new members,

We are so glad that you are interested in learning more about the financial expectations of being involved in our Panhellenic community. We gather and produce this information to be as transparent as possible. While these figures are estimates and subject to change, we believe this document will give you a good insight as to what to expect as a member of one of our chapters.

If you are going through the recruitment process, we encourage you to ask more questions about chapter finances and expectations. The numbers in this document are the cost for members in all stages (new members, live-in members, and live-out members) for the 2022-2023 school year. By the time you are a live-in member, or live-out member, the number will change as chapters review finances every year. The most important note for new members is the ‘New Member’ column on the left of each page.

Other valuable information to keep in mind:

Badge fees may vary based on member preference (\$48+) Fees may be associated with studying abroad Optional apparel is available Any questions? Please contact Panhellenic Council!

All our best, PHC
